Hi?

I'm in an elevator, so

It was a pain  
to wait until we  
were alone

For some-  
thing simple like  
this, too!

Now,

We'll secure the  
file and then go straight  
to the school

SFX: Knock

I got a report of a massive  
stranded fire

Then, we'll be  
heading back,

To reality.

Ugh, This  
important file...

37X Only

슬쩍

The seal shouldn't  
break...

I should be  
more careful

.....

The file you wanted,

Here it is

Oh, Director Lee? Yes, you did a good job

Of course...

We can now peacefully settle the matter

He was a minor, so it wasn't hard taking it away from him.

Haha, a minor

Ah, speaking of which, are you recruiting more players?

.....!

Actually, I'm satisfied with what we have now.

Don't you think your executive office has enough personnel?

I mean you easily accomplish hard jobs like this.

T/N: It also has special powers only when he or she is in Loner, but a king doesn't have any powers both in real life and in Loner.

I've telling you this again...

Just because  
all the executive office  
personnel are  
pluses,

doesn't mean  
there are many  
of them.

You already know it  
took us a long time to reach  
what we have now.

Even then, most of them are underage students, the "Special Class".

Among the personnel, only half are ready to be deployed and the rest are still training.

But whether they are trained or not, places are always unstable.

Of course, dangerous jobs in Layer are, too, but there are cases where places today become minutes tomorrow.

Furthermore, places  
who can ~~transfer~~  
are even rarer

There are only  
five— No,

Including the new  
member, six.

That's it.

Do you think the personnel  
we have is enough now? How do you think  
just six would be able to continue  
the «Layer Project»?

«Doubling»! I remember  
how you dreamed of being  
able to bring back duplicates  
from Layer to reality and  
contributing to the  
project.

A file like this is easy.

But our goal  
is much bigger  
than that.

Our final goal is to move a  
duplicate of a city, right?

Therefore,

I request an unlimited  
amount of support for the executive  
office and Special Class.

That's why I bring you  
these kinds of files without  
asking for payment

Well,

SFA: Raa

I understood your idea  
and objective—

But, I've invested  
a lot on you.

I want profit from my  
investments, — that goal — , when  
will it be achieved?

Will I be  
able to see it  
before I die?

If you stop smoking, it might  
be possible..... cough~

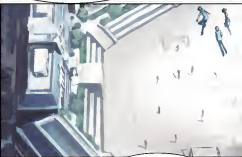

Don't worry. I believe  
that we'll show some  
progress soon.

Oh~? Didn't you say you  
had only six places who  
could «transfer»?

I received a report  
that an entire school has  
been «transferred»

I believe that the  
señor plus with the ability  
to «transfer» has  
caused it...

Ah, that student  
who «transferred» his  
entire family?

Yes, he's unfamiliar  
with the process, so he can't  
control its strength.

Yes, Director Loo.  
Go to the school. I'll continue  
supporting you...

...if you show me evidence to  
what you've just said.

I hope he's the one we've  
been looking for,

## Chapter 2

The school is  
really quiet

No one if we're in  
Layer.

There's no time to  
enjoy the scenery. Let  
us <transfer> already

The Special Class Kids  
must be having a hard time  
in the real Layer right now

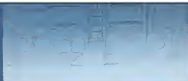

Ah, yes

SFX: Grrb

SFX: Swosh

Skyler! Elle and  
Umi... Are you guys  
the only ones here?

Yes. The rest are  
patrolling the school  
perimeters.

It seems as if the school was  
the only area that was part of  
the large scale «transfer», but  
we can't be too sure.

I understand  
like this well.

What's *really* not  
break down?  
all of them?

Yet even about  
Cancer? Did she  
say anything?

10

She said Liles could be the one who did the massive alterations.

Working with me and my  
colleagues

Yes, but I don't think you're correct.

In the morning, Ella «transferred»  
Young-Jin, Hyeon-Soo and Lilac  
to Layer...

And the three were  
still in Layer even  
after the large scale  
«transfer».

If Lilac did the massive  
«transfer», he should've been in  
reality, so I don't think he's the  
one who did this.

Instead,

"There's someone else who can do a  
massive «transfer» in this school"

...That's my  
conclusion.

I told the rest of  
Special Class that if  
they see him or her  
they should report to  
me immediately.

Another person who  
can do a massive  
ransack...

Anyhow, let's put  
out the fire first.

We'll be ransacking  
the students.

They will be returned before  
the end of school...

So, every junior high student  
should be ransacked in 3  
hours and the high school  
students in 5 hours.

It's a tight  
schedule.

Let's ransack the  
students in the fields to  
really first...

SPK, Yashiro Chatter chatter

We'll divide up by junior  
high and high school  
teams. Let's go!

...Like?

That new kid?

...uh...

Shut up...

...and do what  
you're told.

Don't worry, I

I'll stay here.

Not like he had a choice, he can't go back.

Good choice. It's better to  
"transfer" the students here at  
school than be out there fighting  
the Mad Rabbit.

What...  
"transfer"?

Minion: That is running out,  
so we have to "transfer"  
back to the school grounds.

Is he gonna make me do it...?  
I didn't lie to him, but if he finds

What would

This is what would happen

역

You're expelled,  
Lilao.

I hope I won't see you  
around!

Elle and Lin will be  
"transferring" the rest of the  
school and

we will be looking  
for Miss Lu

.....

But, leader, are you  
really expelling Lilac?

We have to get  
permission from  
the Director.

Ah, when we came  
across Mad Rabbit, he  
was amazing

You should have  
seen him...!

I think he might  
be the strongest  
pottergeist yet.

Even though he isn't  
"bound", he'll be a  
great help for  
"Special Cases"

To be honest, I think he  
didn't know what he was  
saying...

I'm certain he had many  
chances to correct our  
false vision

of him

He didn't want Mia La to be dragged into «Special Class»

I understood that he didn't want his little sister to be in danger...

Even when the entire school population was in danger due to the massive «transform»

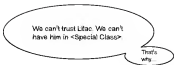

Even when his friend was killed,

He didn't say the truth.

Do you think we could trust and work with him?

No, it's dangerous going to Layer with an untrustworthy guy like him

SFX: wipe

So,

where is Misa?

...Yes?

Misa La,

Where is my little sister?

We have to  
find her .

I have to  
find her...

Before Lilac finds  
her...

Before Special  
Class finds her...

Mia La?

The one who could

is not Liao,

Yes.

So, that means Lita

Furthermore, Lita

Enough about

Layers Season 2  
03. Missing child

SLIDE

L-Look, Mia's not here, right?

What about Junho?

...Huh?

Junho Lee.

You are in his class.

Where were you, President?  
Who's the high school  
student with you?

Junho

When we came back  
here before, Junho and  
Mia weren't here

I think... Junho and  
Mia are together some-  
where right now!

That's good...

But if Mia is alone, she's  
in a grave danger.

I can't lose you...!

Please bear with me  
If we go back to the school  
grounds, we will be safe

If we go back, the  
Special Class will find  
and <transfer> us  
back to reality

Thank you for helping  
me... But how do you  
know my name?

I'm Mia's friend.

I agreed  
to help them  
find you.

Is that so?

You  
shouldn't  
be...

Alone.

SHOWER  
SHOWER

Ah

Right, Mia  
and Lilac-hyung  
stopped me too.

○

If you transfer by yourself,  
the "monster" will appear!

○

And because you  
could be caught by  
the Special Class!

But... Something doesn't feel right

It's weird that all of us were randomly  
<transferred> to Layer.

And I'm certain she didn't come back inside the school building  
when the bell rang.

I've been waiting for her on the spot where she secretly  
<transferred>, but she didn't appear.

Well, I suppose Liza--hyang and the Special Class  
would manage to find her..

Where in the world could she be?

Didn't you hear  
the announcement to stay  
in classrooms?

Hana Lee?

Please,

Wait..!

Don't follow  
me

I- I just want to  
help you!

Ah, right, Mia!  
I just saw her a few  
moments ago!

STOP

So...Would you  
like to go to where  
I last saw her?

You saw  
her?

Do you know the  
benches near the junior  
high's cafeteria?

It's around  
there.

This way.

When I was sitting  
on one of the benches,  
I saw her pass by

And there was  
someone...?"

PIIPII??

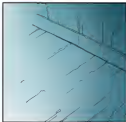

T- That how...

They were  
bullying me, so  
I «transformed»,  
right?

How bad was my condition...

That I fell asleep on the pavement?

I thought I'd  
pass away

But it's worse  
than I thought

"Are you awake?"

SUR-  
PRISED

W-Who?!

"Here."

"Could you be ...  
Mia Li?"

Who... are you?

Is he from the  
*Special Class...*?

"You could say  
that."

W-HOW DID YOU  
KNOW WHAT TO  
ANSWER?!

Hehehehe

"You're really cute. Even with that response, you're convincing yourself it's not real, right?"

"Ah, that's right, this is Loner. Nothing strange will happen here! ... is what you're thinking right now!"

Ah...  
Hehehe

GAO

You're reading my mind

"Of course."

Wk... Why is he coming so close to me?

Ah, he's not that.

Mo! Don't think!

I-I have to stop think...!!

Kya- I bet he knows that I thought about not thinking!

Wk...!!

Wk!!

GAO!!

Wk...!!

"You're really

...Hm?

SHOCK

Did you hear  
about me from some-

He said you was from  
the Special Class ... Did you  
know it from oppa?

"I've heard lots  
about you."

"And not from  
your oppa..."

...Hana umi?!

Do you know her?

How...?!

Where did  
you see her?

Did you see her  
recently?

When?

"Ah... Calm  
down."

"You're looking for  
her, right? Don't worry.  
She's safe."

"Do you want to...  
go to her?"

Don't worry.  
Mia and my parents  
are safe.

Think about it, Hana's  
last memory of us is from the  
day we were attacked  
by the monster.

I know they are all safe.  
I'm worried about Mia.

Huh?

What's that got  
to do with us? We're all  
friendly with her!

There are...

People who are trying  
to capture her!

Let's all

WELL, NO

Special

Please, please

But... The last  
person who saw her  
was me...

**AH!**

“Lupin Jace 1 (Lupin) threw it

Yes... No need definitely

She didn't run away or trick us.

happened?

*Snoosh*

To think that it was  
your little sister...

I was surprised that  
it'd be her...

But I suppose Leader  
knew it was her when he  
heard 'Mia Lu' from the  
junior high student.

The one who could do  
massive transfers—

Is not you, but  
your little sister.

The people you  
said that they were trying  
to capture Mia...

Are they the  
Special Class?

Excuse  
me...

"Yes?"

I'm sure  
you've read  
my mind,  
but I can still  
fly without having to  
hold your hand,  
right?

"Ah."

"Haha, you really  
are cute, hmmm?"

"Did you blush  
just because we were  
holding hands?"

"Ah..."

WHA...!  
SHOULD I

SURE... HE  
SHOULD KNOW  
THAT!!

HE SHOULD HAVE

MORE  
IMPORTANTLY,  
WHY DID YOU  
LET GO OF  
ME?!

DID YOU LET

"S- Sorry..."

"I'm very weak... So  
while I'm using pothengolot, I

We're not using poltergeist, so

I think we're  
pretty far away from

CREAK

Wow... This place is huge.

"Oh, where did they go?"

"Sorry, I think they are hiding somewhere. Can you wait here for a bit?"

"I don't see any of them."

"They"...

"Are there other people here besides Monica Lani?"

"Mhmm."

"There are people  
who live there."

"Really?! People  
live in Layer?!"

"I thought  
only monsters  
lived here..."

"That's what Special Class  
told you, right?"

"You're native."

"Yep. This is Layer's other side that the Special Class did not tell you about."

They're really friendly

Even more, they're  
great! Cuteness

"Yup."

"Aren't they  
beautiful?"

Ayn is  
taken-

"The creatures of  
this world..."

No.

It's not the Special  
Class that's trying to  
capture me.

Instead, we need  
their help!

Hmm...

Whatever, I can  
enoughly see what's  
going on.

I won't tell the  
executive office, so tell  
us the truth.

Like did all he could to  
find you, so he deserves  
to know, right?

Like...

I... was rescued by the  
people of Layer 1.

You don't  
know everything  
about Layer

I must have been dreaming.

People disappearing in front of my eyes...

What's more, the  
people I know...

Several times!

Is it something about  
the Special Class?

Hey, where  
were you?

Take your hand  
off me.

Mia'soppel and I  
were looking for you  
a moment ago!

Haven't you  
guys were looking  
for me?

No no, they weren't  
looking for you...

Right, Mia? We were  
looking for Mia...

I thought you'd be  
with her again!

Really? So,  
where is Mai? Did  
you find her?

I wanted to help  
Mai's oppa find her, so  
I was with her...

Then we came  
across Special  
Class,

and they told  
me to go back  
to class...

Is that so?  
Me too...

I was looking for Min, but  
I ran into someone else

And because I wasn't  
in Special Class, they told  
me to go back, too

2 Exiled People

She went with  
Lilac hyung?

This girl... Was  
she in Layer?

Come to think  
of it...

Junho, Mia and her brother  
have gone missing before...

She even brought up  
Special Class...

What does  
she know?

Should I ask him  
what's going on?

It seems that the  
entire school has been  
transformed...

Ugh... I feel a little  
responsible for Min's  
disappearance!

I want to keep!

Does she know any-  
thing about that?

Would Junho answer  
me if I ask him?!

Why is everyone  
looking for Min?

But if he doesn't  
know anything...

Can Min count  
on him?

I'd rock around!

What should  
I do?!

What should  
I do?!

AH

SWISH

"Do you like it here?"

Well...

You should know  
because you can  
read my mind...

"Tell me, I'm using pottergeist, so I can't read your mind."

"And I promise that I won't read your mind without your permission."

"I know you'd say that."

"You can do anything  
you want here."

"Excuse me?"

"You can eat any  
snack you want!"

Ah! When I <transferred>  
at the hospital, I ate those  
snacks!

YOU TOLD ME  
YOU WOULDN'T  
READ MY MIND!

ANG

You just  
predicted!

"When I met you for

"I took the liberty of reading

"I was absolutely  
sure then--"

Layer Anarchy  
On, Chasing

After learning more about Layer from  
oppo, I think it is a lot different to  
what I had previously thought...

He said that I was the only one he knew who could  
transfer (except for Special Class...)

So, I thought I would be the only one here....

Taking stuff from Layer without purchase ...

"That? How so?"

"So, does that mean that as long  
as you're not dead, you can do whatever  
you want?"

Isn't that the right thing  
to do, anyway?

Haven't you  
heard about  
greenland? *Hehe?*

I'd be stealing stuff that someone  
had worked so hard to make!

"Ehm..."

Erin

"To whom should I pay?"

"We are the only ones  
in Layer."

"To whom, Mia La?"

That day...

When I woke up,  
I was alone.

Even when I went outside,  
I couldn't hear the familiar  
sound of traffic.

Not even the  
sounds from TVs in  
houses.

Or people in the  
street.

It was silent.

All I could hear was my breathing  
and the wind.

I thought to myself I am really alone here.

But, what was even scarier...

I could feel someone's gaze behind me!

Frightened, I ran away without looking back.

But someone was chasing me!

CRASH

Ugh...

MY LEG?

Someone's grabbed it!

"Are you okay?"

Was it the "people of Layer" who saved you?

When...

Now!

At first, it seemed like  
they were helping me...

But they were just looking  
for someone else... it was...

**MIA LA!**

That's right, we're  
looking for Mia La.

You're right, Hana-uni.

We saved your life, but you  
make us sound like we're the  
bad guys.

Is this how you repay us?

Of course I am very grateful for  
that, but...

Ah, that's enough.

Since you led us to the whereabouts of Mia La, we'll take that as your repayment.

So...

Which one of you is Mia La?

You don't need  
to ask

Obviously...

**SHE'S  
MIA LA!**

Cricket  
chip

Really? Doesn't she look a bit different to Mio's description?

**I'M SURE!**

Mio is a junior high student, but this girl looks ten full

**EXCEPT FOR HANA NOONA, SHE'S THE ONLY GIRL IN THE GROUP!**

Hm...? Girl?  
I don't see any  
girl...?

YOU!

Spin

Jump

LAZEE

WHAT?! BUT  
YOU'RE THE

WHERE ARE YOU  
TALKING ABOUT

I'M SAYING  
HE'S A BOY!

HE'S NOT A GIRL!

THAT'S

Since you suffered no

Call it off?  
You're the one who  
attacked first.

WHAT??  
WHEN DID I  
DO THAT?!

Wow. This is unfair,  
really? Both times  
you attacked us!

You started  
this time?

You grabbed  
Gila's wrist.

Yeah. That boy  
twisted a poor

I DIDN'T

Bingo.

I don't know

But that last attack,  
you're "Young-Jin

Like I heard, you're  
pretty stupid

You forgot about me when  
you were focused on him.

You won't be able to  
move until I free you.

KUR

Especially you,  
Young-Jin Choi. I must  
sure that you wouldn't be  
able to move an inch

Before I look you up again, come with us quietly.

Did you "capture" her instead of "protect"?

Have you seen Maria  
until, please?

She has the  
weakest pottergeist I've  
seen in my life

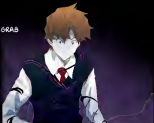

She kept on trying to  
escape, so if we hadn't  
looked her up, she would

Hey, you're like a scary villain here.

You're just too soft.

I think they

Maybe...

This is another Layer?!

Where did you

Huh?

"Miss, how much do you trust  
the Special Class?"

"Yes?  
Well..."

Thanks to the Special class,

I know a little bit more  
about Layer than before.

Though...

I'm not in the  
Special Class

I only learned about  
them from my captor  
who leaked their  
secrets to me.

Then, when I  
found out more  
about Layer,

I realized the Special Class  
doesn't know

everything about Layer!

So, I'm trusting them.

Ah, I don't  
know yet....

"Mia is honest."

I never met or talked  
to the people in the

So I don't know if I  
can trust them or not.

But!

I trust my oppa.

I believe there is  
a reason

why he won't let me join  
the Special Class

"Even though I haven't  
met your oppa."

"I can see that he is  
protective of you."

"The Special Class is a dangerous  
and sneaky organization."

"He did not want you to  
be tainted by them."

"You and Iruka are the first  
ones who welcomed us without  
the prejudice that the Special  
Class had put on us."

*Prejudice?*

When we first decided to  
live in Luján,

we thought about bringing  
more people here.

More people?!

"That's right, Mr. La  
Food and housing are  
prepared for us here,

just like in the reality."

"The Special Class has put a label on it, calling it 'doubling'. Quite a boring name in my opinion..."

"Anyways..."

"if we could prepare a place for poor people to start over again..."

"wouldn't that be just beautiful?"

"B~ beautiful!"

"I feel ashamed thinking I could use 'Laver' to get rich myself!"

"It really is a wonderful idea!"

"Just as I  
thought!"

"You understand and so!  
I know it!"

Hah, but...

Monsters live in Layer 1,  
right? I've come across  
them a few times...

They come out when  
people are alone. So how do  
they live here safely?

Are you alone?  
Play with us.

"Don't worry  
about it."

"This is a <safe zone>."

Layer Anarchy  
03. Minus

Monsters live in Layer,  
right? I've come across  
them a few times...

They come out when people  
are alone. So how do they  
live here safely?

"Don't worry  
about it."

"This is a  
quite zone."

M = Mist

HAMA  
UNNI!

I'm happy!  
I'm so happy!

You're safe,  
Hama unni!

Why are you here?

I came here to  
find you, unni!

Oh so  
you're Ma

I've heard a lot  
about you from  
Hana unni

I'm Soel

Just call me  
Somi unni

Umm, you were playing  
with them this whole  
time?

I'm glad. They seem  
like good people.

Alleen ...

But, Mom's here!

Why did it take you a  
month to come back?

I've only been here a week!

WHAT?!

What took them away?

Well...

We transferred to Layer in order to find Mia Lu.

Then suddenly, two unknown  
kids came out of nowhere and  
<translated> Hana

Eli and I were immobile and  
Lulu caught them right before  
they <translated>

We thought they  
<translated> to reality  
so we went there as  
soon as possible

But there was no sign  
of them in the area or  
where they went!

To put it simply, he  
lost them

Stop trying to  
make excuses

Damn

We barely  
<translated> all the  
students back to reality  
and now this

"The one who can reach  
diamond must be in our  
hands."

If Dorahe knew  
about this, she  
would be furious.

LEADER!

Uma nuna is sick!

T—then (sister), I'll  
take her home.

We have to stay together.  
Director could summon us  
at any time...

Stay here, Hydon— too

But...

Umm, Muna is still? It's  
too dangerous for her  
to go alone.

(Dangerous?)

As long as she doesn't  
stray, she'll be fine.

It's still evening and there are  
lots of people around. She  
can take a taxi, too.

Umm, you can go  
home alone, right?

!!

HUNT!  
W-WAIT!

WHY IS SHE  
(TRANSFERING)  
IN THE MIDDLE  
OF A CROWD?

UWA!  
HUNA!

WHY DID YOU  
DO THAT IN THE  
MIDDLE OF A  
CROWD?

SOMEONE  
MUST HAVE  
SEEN US!

Background: What should I do  
What should I do

Hey?  
Huna?

Why did you  
-transfer-? Are  
you okay?

H-Hello? Do you  
feel dizzy?

Ah, you must be  
exhausted.

Why did you  
follow me?

W-why, nuna seemed sad.  
I was worried about you.

Weren't you worried that  
someone might see you  
-transfer-?

It's fine. No one  
saw us.

*Shiver*  
*Shiver*

Um, even though  
Leader was rude to you,  
I still depend on you the  
most, Umi nuna

Don't mind me

Skylar talked to someone  
in the past with the same  
tone he just used with me

That person soon lost his  
pottery and became a  
minus.

Consequently, they got kicked  
out of the Special Class.

...!!

Are you  
saying ...

That's right... I feel  
myself getting  
weak.

I think I'll be a minus soon.

What  
happens...

I'll get kicked out too, right?

*Layer Anarchy*  
10. Person Rule (1)

Well. You know about the  
3 Person Rule. There are  
monsters around here.

.....

Of course, we can't run away  
using poltergeist...

Are you only walking  
because you're  
feeling sick?

Don't you want to  
fly instead?

I'll help  
you.

No, I'm fine.

She's cute...

Even though I  
came all the way  
here with her...

Umm nana wouldn't  
leave me behind and  
transfer, right?

I don't have the  
ability to transfer  
again! I'm  
nervous...

Are you  
nervous?

**HUH  
?!**

No— Nervous?

S—she  
scared  
me!

We learned that if we are to  
come across the Mad Rabbit  
we are to escape even if  
we're in a group of three

So I was wondering  
if you were nervous,  
since my protagonist  
is weakening.

and it's just the  
two of us

Right, if her protagonist  
jumps on weakening, we  
might not be able to  
"transfer"

I see...

Therefore, running  
away with Unit runs  
in here will be  
dangerous!

**I DIDN'T  
KNOW.**

I—I'm not nervous  
at all!

Not at all!

Mhm, I  
feel quite  
relaxed.

Alright, then.

And that  
was  
that.

We didn't learn that in the Special Class...

There's a reason for that.

A reason? What is it? You know all along about this?

It's a secret, but as a gift for being a genius, would you like me to tell you?

I'll keep the secret.

Well, you can't do anything about it, anyway.

I've been waiting for the first lesson!

A while ago...

Before the Special Class  
was created, the Director  
was searching for "plus"  
students.

With Skylee being the head, it was  
planned for the Special Class to have  
30 students, including myself.

I was in grade 7 and  
Skylee was in grade 10  
at the time.

Oh? Then Leader  
isn't a senior?

Back then, there were a total of  
3 adults including the Director.

Also, no one knew that  
over time you would  
become a minor.

People thought it was just a coincidence  
that we had so many minors. Besides, it  
was easy to hide the true identity of the  
Special Class within the school.

We didn't look for places  
within the minors.

Anyway, one day, the Director  
brought along a plus who was  
strong enough to be called  
"gourmet".

The reason being, was because she could  
<transfer> other people without  
<transforming> herself.

Have you noticed?

In order to «transform» a target,  
Clio, the teachers, and I have to  
touch the person, and we get  
«transformed» along, too.

But in both the Executive office  
and Special Class, the Director is  
the only one who can «transform»  
the target only.

You don't get that kind of power easily.  
But this girl, at the age of 10, had as  
much power as the Director.

What's more, she had a  
specialized polymorph.

You know how Young-Jin gathers his pollengrains and shoots it off?

The girl was the first one to use that technique.

Not only could she «transfer» but also utilize her pollengrains the best out of all of us.

That's how the Special Class was created, and instead of Skupin, she became the leader.

In reality, she was just another little girl, but in Luper, no one could match her power.

Soon after that...

Minutes among the Special Class started to appear.

Now, we know about the minus effect and are still active in the Special Class.

But back then, it was a huge shock.

For instance...

One boy hid his magic effect and  
<transformed> into a Lazer.

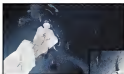

Only to be killed by  
a monster.

His normal power was strong  
enough to defeat the monster.

But at his death, his power  
weakened so much that he couldn't  
even fly away from the monster.

That's right. It was the marshal  
that always appears whenever  
you're alone!

Anyone with a poltergeist can  
defeat it, right?

But since his magic object advanced  
so much, he couldn't defend himself.

After that incident, the Director  
ordered us to travel in groups  
of two when we were in Lager.

Can you guess what happened  
after that?

The Special Class students started to isolate peers who had shown symptoms of the virus effect.

They didn't want to be paired up with them.

The girl was among the group who isolated them.

I suppose she was envious, after all. She saw it as an opportunity to seize even more power within the Class.

Tartttenmore,

The boy who was paired up with her went missing one day. It was later proven that he had begun to show symptoms of the minus effect.

The official report said that he  
wandered off alone and got killed.

But a rumour had spread  
in the Special Class ...

That it was the girl who had  
killed the missing boy!

Whether she did it or not, everyone was sure that she was the killer.

The Director had a feeling too, but she had no evidence.

After that, it became a 3 person rule.

Under that rule, I was paired up  
with the girl and Skeler

Skeler was on good terms with the teacher and  
the Director, so he was used as surveillance  
for the girl

His poltergeist was strong enough and I  
could <transfer> both of them back to  
reality whenever they started to fight.

So, the girl was under heavy watch for a while, but one day, Sayan became more lenient on her.

At first, she thought she'd earned down enough to earn some freedom.

But in fact, she was experiencing the mirror effect too. Everyone in the Special Class knew about it, except her.

Usually it is the person themselves who feels the minus effect first. Often they would just hide the fact.

The girl, however, was too proud of herself to even think that she would suffer from the minus effect.

When Skafir told her that she  
had to leave the class due to her  
minus effect,

She immediately ~~transformed~~  
everyone around her.

She denied the fact that she  
was becoming a minus.

and attacked the messenger, Skafir.

Exeter was devastated

That was the largest  
«transformation» incident known to  
the Executive office.

It is also the reason why we are trying to find the one who can do a mass *transferr*.

And why we aren't told everything about Layan. The 3 person rule is strictly enforced even more now too.

The scar that  
Soyler got from the  
girl's rage.

You know about that too  
That scar on the right  
side of his face . .

Well, everyone thinks  
it's from the Mail  
Room

After that incident,  
the Special Class  
collapsed

But as soon as Styler recovered, he  
begged the Director to re--create the  
Special Class. She listened and it was  
created again

And that's the Special  
Class we have as of today

I think if you stay on a planet  
beyond the adult age, you  
won't become a genius

So, all the young students of  
the Class were kicked out and  
only the high school students  
were left

What about  
the girl?

The girl?

The one who was called a  
genius. The one who injured  
the Leader... What happened  
to her?

Ah...

She never came  
back

if she's not a minus  
by now...

Layer Anarchy  
11. Power Rule (2)

"You know how time  
flies when you do  
something fun?"

"On the other hand, time  
creeps when you do  
boring stuff."

"I think Hana umi's  
time shifting ability is  
something like that."

"Even though Hana's  
pottergeist is weak and  
she can't strengthen her  
ability is really special!"

"I've been in Layer  
for a while, but she's the first  
one I've seen with a time  
shifting ability."

"What's more, the  
shift affects not just  
Hana herself,"

"but also those  
around her."

Wow... Hana used to be a plus,  
too! I wish I could have my  
own pollergeist...

...Hana?

Well, it is possible to  
get a new pollergeist!

Really?!

It's possible?!

Well... What  
I'm saying  
is...

All the stuff that's been  
happening in Layer is  
new to us all.

Because we don't  
have any records or data or  
information about Layer, we  
only learn about it through  
experience.

The Executive office has  
its own records, but it's only a few  
years old and it has stuff we all  
nearly know about.

So, you should try whatever  
you can, because you might just get  
a new girlfriend! Besides, I wasn't  
the defensive type to begin with. I  
got it over a period of time.

He's right. I experienced a  
minus effect when I was young,  
but it wasn't as remarkable as  
other people.

Minus effect?

Ah, that's not in the Special Class,  
right? Hm. Then, have you heard  
about how you lose your abilities  
when you become an adult?

Yes, I've heard  
about it.

Minus effect  
is the start of  
this state.

You're still a plus, but you  
gradually lose your potting and  
transferring ability, ultimately  
becoming a minus

That's what the kids  
called it, anyways.  
The minus effect

The kids?

Ah, didn't I tell you  
I was in the Special  
Class before?

I think I  
told Kana  
something, too.

You were in the  
Special Class?

..?!

Well,  
yeah....

But I was  
really young  
back then....

I don't remember  
details, but....

I entered the Class with  
the Director's help

At first, they called  
me a genius.

But what could I have  
known? I was young.

I was just happy to be appreciated  
and have all the attention.

I worked hard to stay that way.

Back then, we didn't know about the mind effect.

So, when one of us became a mind and got  
killed by a monster in Layer,

It was a huge shock to us all.

After that incident, other students, including me

Proceeded to remove students with the minus effect from the class

Layer 3 dangerous is not only misused,  
but also to those with a weak password.

Identify user and you know  
about this too, right?

But the Executive officer's response was lukewarm.

On the surface, it seemed liked they gave freedom of choice to those with the mind object...

But it was another one of the Director's sinister plans.

The Executive Office needed information about the people with the minus effect too.

For their records, the Im-gan said... just for a few more pages of data, they sent the weakened students to Lager! They defended their decision by saying they gave "freedom of choice" to them.

Do you think the freedom really helped them?

It's obvious,  
but no one voluntarily left the Special Class.

They didn't want to lose the prestige of being in the Special Class and adapt to normal life.

In the Special Class, you don't have to study and there aren't restrictions set by the teachers. You don't want to lose a freedom like that.

Most importantly, they could fly, make objects move, and fight monsters in Layer!

Isn't it ridiculous to expect students to simply adapt to reality and leave their powers behind?

Do you think anyone would want to leave?

Of course not.

Anyhow, the Executive Office started to pair up minuses  
with pluses and sent them to Layer.

They thought the pluses could protect the minuses  
from the dangers.

But there's one thing,

Once you experience the minus effect, your  
body and mind become unstable.

No matter how strong  
the plus partner may be,

You can't stop that.

Well,

Even though my minus life is started early, I'm still a plus, right?

I mean, why so serious?

I feel embarrassed for worrying so much about becoming a minus.

Laugh at me all you want.

There are different types of minuses, so there must be even more among the pluses, too.

So, you should try whatever you can, okay?

Now

Mia, I need you!

Hm? Me?

Yes.

And I read Hina's  
unni, too.

!

Hana umm could have  
told you why.

But it would be  
better if I told you.

That's right, I need  
help from both of  
you, because —

What is it, Hana umm? It  
looks like you really have  
something to say, no?

That's right!

Somed, you... You kept me  
here for a week, no, over  
a month...

...and now you want to  
capture Miss, too?!

**JUST  
RETURN US  
TO REALITY!**

"Yes, I want to clear  
this up for you."

"First, Snow is the  
only one among us  
who can voluntarily  
transform."

"So, if we don't listen to her requests,  
none of us can return to reality. That  
includes me—gun and I."

But... Hana-uni told  
that she doesn't want to  
stay here!

You and I— *you* are here  
because you want to  
Hana-uni is different

Couldn't you have  
convincd *her* to *return*  
her back to reality?

"Will...?"

"We need Sora...  
and Muna."

"What?"

"We planned to return her to  
reality the next morning."

"But when we  
went back, the time  
had shifted."

"One day in Layer  
was a week in  
reality."

"We thought it  
was just another  
abnormality of  
Layer."

"But once we  
learned it was  
Hana's ability  
I saw a new  
plan."

"If we could have  
Harris shorten time  
here...."

"Then we could delay  
the acceleration of the  
minus effect?"

"All we have to do is  
wait a little while here until we  
become adults in reality?"

"Once we  
become adults,  
the minus effect  
would stop?"

Of course, I can't guarantee  
my plan will work.

It's just a hunch, but we  
should try whatever we can,  
right? No one has ever  
done this before!

GLANCE

"So, Misa..."

"You and Sora are  
the only ones who  
can <transform>  
here."

"I'll let you go back to school,  
but you'll suffer from the minus  
effect just like us."

"If you want, you can  
take Hime, too."

"So, what will you  
choose, Miu?"

"Are you going to stay  
here or go back?"

Layer Anarchy  
12. Surprise Attack

Let's go back,  
Hana-san.

Whew!

What...

Mia...

Do you know who  
"Lilac" is?

Oppa?!

...!!

How does Sora  
even know about  
oppa?

He is in the "other Layer"  
right now...

Another  
Layer?

But Hana umi didn't say  
anything to you about him,  
right?

Why would  
that be?

Haha unni, so you  
wanted to go back  
to reality that  
badly.

That you had to hide the  
truth about Lilac being in  
the "other Layer", huh?

Haru umi wouldn't  
do that!

She didn't  
hide it...

Stop making  
up stories!

We're still  
going to go  
back!

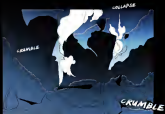

I-I'm  
sorry...

.....

So, this is where you rats  
have been hiding all along

Intentionally living in the  
middle of a monster zone...

This is a "safe area",  
after all.

We wanted to avoid  
you guys more than  
the monsters.

Mari-  
Hyung.

I didn't think I'd  
meet you here.

Oh, Mari oppa.  
It's been a while.

You know him?

Indeed. Didn't I tell you about him?

He joined the Special Class for 3 months, only to experience the minus effect and leaves.

Ah, right.

(He mentioned Nijō & Layer, Chapter 4)

So, he left the Clays and lived hidden within Layer.

It seems so. I know people lived in Layer, but to think that they are my classmates...

Anyway...

We aren't interested  
in your business,  
Manghyung.

We only want "the  
one who can mass  
<transfer>."

**SO, GIVE  
HER TO  
US!**

**DASH**

GRAB

PLAI!

AHI!

**<TRANSFER>,  
MIA!**

**GO BACK TO  
REALITY!**

Unfortunately for you,  
no one can escape  
my group.

Sami, let's just  
get out of here

We're outnumbered

<Transfer>

"No, we can't leave Hana  
behind. We have to keep  
her with us."

"They just want the girl with  
the ability to make  
dragons."

"I don't think they  
know about Hana's  
time shift ability."

0046

Mm...

You said your oppa  
was in the Special  
Class, right?

Seeing how he's not in  
that group, is he in the  
"other Layer"?

!

That's right, oppa is not  
"with those"

Your appa seems to have  
no <transfer> ability

Sq: I think someone should  
go and find him before any-  
thing happens to him.

He may never come back.

If you stay with us a little while, I promise to ~~transfer~~ you to where he is.

No one in the Special Class can ~~transfer~~ to the "Other Layer". I am the only one who can do it.

That includes Hana-senpai, too.

Hana went, you're at fault for making me <transfer> that's oppa to the "other Lays"

He tried to help you, only to end up getting lost

Don't you think you're being selfish only trying to save yourself?

Are you sure you want to go back to reality in this state?

Do you appreciate Misa and her oppa trying to help you at all?

You should compensate them, of course. Stay with us for a little bit longer and you will be able to bring Misa and her oppa back together

So, I'll say it one  
more time...

Hana unni, come  
over here!

Layer Anarchy  
13. Addition

Bye Bye Skylee.

사

사

The thing in your  
eye... I felt kinda  
bad about it..

But I don't need to  
anymore... now that I saw  
you alive.

Damn it...

You bastard! Living  
in the other layers...  
hiding from us!

We are going  
back...

☆

!

삭

Are you setting  
us free?

Yeah

You're gonna stick with  
me to find your brother  
right?

Hanna came here for  
the same reason  
as well

I can't use you while  
being in an uncomfortable  
situation, right?

So you are  
using us...? I never  
thought about it...

Haha, like  
you...

Do you really think that  
you're here because  
you were kidnapped?

You need to get your facts  
straight. You are here to  
use me too. And this proof  
for that is...

You are still here even  
though I set you free.

...

I know what goes on in  
your brain... You must  
be thinking that,

It would be impossible for you  
to find oppa without our help  
because you and Hanna can't  
use poltergeist

.....

와  
악

Just be honest like  
Hanna-

Nobody will care  
even though you act  
like nice girl

We are the only ones here  
so use us however you want

You're so being like  
Director Lee. The one  
you hated the most.

Haven't you  
noticed?

So...

You lost track  
of her?

What can I say...

.....

And you say  
Somi was also  
there?

Yes it was definitely Some Youngin and I said they met her before, but they weren't sure back then.

Is that so?

Today I verified it with my own eyes and also saw her moving to the other layer.

This is better than I thought.

This means there are  
at least two who can  
mass transfer.

We just need  
to get one  
of them.

Is leader gonna be okay?  
Why child isn't shouting?

This quiet  
gives out  
an anxious  
feeling!

Young Jin

Take a  
look.

WOW!!  
THAT'S THE ONLY  
WAY TO UNDERSTAND  
THE LEADER  
STAGE!!

He's  
dying!

...

Huh?

You guys are...?

Did Lilece bring  
you here?

This is against the  
rules of Special class

Anyway, I can't tell you about  
Lilece and his sister because  
you're not in special class.

You guys stayed in layers to find Lilac?

Yeah. Even though they're being held by Some, they also need her.

What are you saying, that makes no sense! That's just intimidation!

We don't know for sure if Lilac-hyung actually went to the other layer, right?

Seeing how Hanna went back to them, it's probably not a lie.

Plus I saw them transferring to the other layers.

*Twice.*

What must I think in order  
to believe them?

No matter how you  
look at it, Mia is  
being lied to!

Send me to layers.

I'll persuade Mito and  
I'll bring her back.

# LAYERS

*Layer Anarchy*

14. Offer

What?

A middle school student?

Up to now, that middle school student and Miss Hana have been going to Layers secretly to find Hanna.

It's getting worse for Lilac.

He had the facts about his sister, and also brought a person who isn't in the Special Class to Layers.

However, if he's a person who  
Mia and Lilac fully trust,

he could probably  
persuade her to join the  
special class voluntarily.

The Director must  
be against it

First of all we can't let him  
join special class because  
he is still in middle school

Also Director does not easily  
believe people who are out of  
special class

A favor?

Young Jin,  
can I ask you  
a favor?

Stop it.

I need to  
understand more.

Don't tell the Director about  
the middle school student, and  
take a look at him personally.

Even though he's a plus,  
he can't join the special  
class before he enters  
High School.

So I can't permit «Transfer».

Yes.

But if there's a chance to pursue Iku,  
I'll permit him to transfer.

So, young Jin, take care  
of him before he enters  
High School.

A star...

candidate...?

Okay.

Yeah.

It's already winter ...so Skyler  
and I'll graduate and go into the  
Executive Office

That's up, if not being it  
minut, isn't it veridic

Howe why are you  
going down through  
hearts again? Are you  
going to die?

There must be some plus  
who is entering High School

Special class will have to  
be in a different shape  
after that...

Then, who'll be the next  
lead of the Special Class?  
Young Jin?

I guess that he's going to be  
the leader, especially because  
Akylar is asking personal  
favours of him.

From the beginning when she  
didn't know what I'm watching  
Also, Akylar likes me a little bit  
(After all that, I would be the  
helping her.)

What if I become a genius  
before I get into the  
Executive Office?

No, actually, being a genius after  
entering the Executive Office  
would be a problem!

I need to think of  
another way to live...  
What should I do?

Why am I becoming a genius?  
How I understand the feelings  
of people who become  
genius and wanted to stay  
in the Special Class

This is the only thing I know  
how to do. Should I go to a  
university? If I become a genius,  
my university privileges will  
also be gone.

If I can't go to university,  
should I start a business  
with the money given  
to me?

Wanjī Oppa?

Wandering around  
Lapere at night, you  
haven't changed a bit.

What? Oppa! Are you  
helping me knowing  
you're on the wanted  
list in the Executive  
Office?

I'll keep quiet this  
once because you  
saved my life.

You're afraid of debt isn't  
going strong, eh?

By the way, Unno,  
what happened?

I'd never expect  
a Pollengaster like you  
would make a mistake...

Don't tell anyone!  
Whether it's the Executive  
Office or Skylet...

I don't want others  
to find out or to be  
kicked out of the  
Special Class.

If I'm going  
to be found  
out...

It...

...say it myself?

O-ok, I won't

We found a way  
to stop it,

being a minus,  
that is.

# LAYERS

Layer Anarchy  
15. Ideology

Hey, aren't you  
guys going out  
today?

Today is full moon.  
It's dangerous because  
it's too bright outside.

Ah, right, but  
what's with the  
clothes?

It's getting quite  
cold, so I prepared  
some warm clothes.

Choose whatever you want, Hanna, Mia.

You prepared clothes for us?

Yeah. If there's nothing you want to wear, we can just go grab some clothes from a random store later, so just choose from here for now.

Then...  
I'll choose  
this one!

Huh?

Background text:  
All right! I don't need to pay for these, so I can put on makeup and clothes that I've always wanted to wear!

Are you really gonna wear that?

Yacht!

It'd be perfect  
if I had high heels!

Hey guys,  
I'm back.

This is a lot thinner  
than the clothes you're  
wearing now!

What is this. It looks  
like it doesn't fit.

Mia, go find  
something else.

Huh?

You're getting some warm clothes, ah? Do you have some extras?

There are some extras.

Huh? Who's back there?

!!

May

SPECIAL CLASS?

WHY??

R--not! Calm down!  
Una didn't come here as  
a member of the Special  
Class, so no worries.

THEN WHY HAS  
SHE COME?!

It's Same. You're taller  
than me now?

She came here because  
she's also becoming  
a minus.

What?!

I heard that there was  
some way to stop the  
minus effect.

I really don't want  
to be minus.

Ha! You're a minus?

라

Why should I believe you?

You could just want to find a way to stop the minus effect and then just hand us over to the Special Class.

I heard everyone  
talking from Haena.

Are you stupid? If I send you to the Special Class, how am I supposed to stop the minus effect?

I know this process includes Haena.

Munji! Why are you telling her important information?

Anyway, Haena is with us and I saw Unn suffering the minus effect.

Unn really is turning into a minus.

By the way, give her some clothes to wear, since she came here in pajamas. You've got some extras, right?

Argh!

There! Go get whatever you want!

Where did she get all of those?

is that so?

She took them from a random store nearby

Oh really?

There's no one to use those in Layer 15

Man! Get over here!

what now?

How could you bring this item when you know this that I don't get along?

Oh, sorry

"Psh..."

Oh, yeah, stop fighting

Yes...

Yeah

Wouterlaren and  
John Laro's sister,  
right?

They pretend to  
keep shooting  
opponents

My  
sister

You stayed here to  
find Laro

Wouterlaren or Laro,  
right?

They don't have another  
reason to play here besides  
Some having the ability to  
transfer to other Layer,  
right?

These two often  
refuse to play here  
consider finding Laro

Yeah

Then, did special team  
found Laro?

Not yet though

However, there is another  
person who can transfer to  
other layers.

He was someone who  
didn't originally have the  
ability to transfer.

But, after Some and  
Mang left the Special  
Class,

he suddenly gained the ability  
to transfer. I'm pretty sure they  
don't know about it.

Shin.

"You don't need  
to rely on Some."

"If you girls want  
to rely on us,

we'll help you."

The three girls walk  
to the real world now!

Mia knows how to handle  
this.

Mo, wait.

Don't act rashly. If you  
transfer now, you could  
be caught by Sora.

What if Sora sends you to  
another Layer because of it?  
Mia and I will be fine, but what  
about you, Harem?

I'll call the Special Chapter  
you to get work and train.

What? Are you  
girls still choosing  
clothes?

!

Just wear  
something!

.....

Sora!...

You brought this stuff  
from Layer, right?

Why? Is there  
a problem?

I only use "real" products.  
I'm quite a fancy girl!

WHAT? WHAT THE  
HELL! YOU WORK AT  
THE EXECUTIVE  
OFFICE. YOU GUYS  
USE "DOUBLING".

ARE YOU REALLY  
GIBBLING  
ABOUT THIS?

AND THERE'S  
NO DIFFERENCE  
IF YOU USE  
DOUBLING!

Doubling? You even  
knew about that?

Of course I do! I know  
the executive office is  
planning to Double the  
entire city!

*Redoubling that  
and Redoubling!*

Do you even think that's possible?  
I've transformed inside buildings plenty of times, but  
the building has never transformed with me!

I've never done it, but you  
guys still think it's possible?  
Are you guys stupid, or what?

Oh really? Then bringing people to Layers to live happily ever after makes total sense, right?

You use powers like Movement or Pollenage to lure alien people and lock them up

*For some reason, I don't know why!*

Giving people a chance? That's just an excuse.

You just want to rule over the powerless.

Absolutely not!

You say "No" now, but won't you feel superior, being a plus?

So taking stuff in Layers by Doubling is right?

Also, that's the benefit given to the Executive Office and their Operations Chamber!

That's a promise for killing monsters in Layers!

Hi—hey, girls, stop...

There's more land than anywhere!

Harvest?! Sure, you guys are just wandering around Layers, attacking the monsters instead, why don't you guys just live with it, like us?

Umm... This isn't working. I'll go back to my house and pick up some stuff.

WHAT? GET OUT HERE!! I CAN'T LET YOU LEAVE. HOW DARE YOU RUN AWAY FROM THIS PLACE!!

Ah...

Girls, aren't you hear the residents getting bored?

Don't You just use your power

Right

You'll oppress people.

You're already  
doing it now

Shut up!

Don't worry. I won't say where  
you guys are hiding, since  
I want to stop being a menu

However, I know you  
guys will move

Anyway,

see ya.

i'll come back soon.

That...

That means we  
should...

wait!

That....

We can go back  
to the real  
world...

without giving up on  
finding Liliel!

Students, today we'll be discussing you all early, so don't go wandering off.

Just go straight home, alright?

Okay~

By the way, I bet you've heard  
about the missing students.

Mia, as well as four high  
school students, have  
gone missing.

So don't follow  
strangers and

please stick with  
your friends

Bye-

Come on.

.....

Abba.

Why are  
high school  
students  
reading?

Look at this  
hair.

It – finally!

I think they  
found Mia!

Of course!
